

OUTREACH • SHELTER • RECOVERY

Grace Beyond Borders NWI, Inc.

A 501 (c) (3) non-profit organization committed to “feeding the hungry, giving drink to the thirsty, clothing the naked, taking in the homeless, reaching the hurting...”

Summer 2017

Dear Supporters:

When you care, lives are rescued, restored, and transformed. Below is one example how your compassionate support can help.

Grace Beyond Borders’ Outreach Team found a homeless veteran sleeping outdoors in an open public entry way of an abandoned business building in downtown East Chicago. He had been evicted from his home due to delinquent property taxes. His depression and feelings of hopelessness led him to alcohol, and sleeping outdoors.

However, compassionate support rescued this homeless veteran off the streets, and provided emergency care and critical intervention services. Grace Beyond Borders staff located and connected him with a relative, who provided some temporary relief. Next, we transported him to a recovery shelter located in a city, near East Chicago.

Your prayers and support are critical! Your financial gift of any size will save a life!

Grace, Love, and Peace,

Marcus M. Martin
